Paul Mullins at Book World, Florence, KY
Sam Clark at Comics and Fantasys, Topeka, KS

This publication is designed to guide comics collectors in the most current comics values. It is a tool along with other fine publications to assist collectors to enjoy the hobby. Also useful are *The Comic Book Price Guide* by Robert Overstreet and *The Comics Buyer's Guide* by Krause Publications.

The comics values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50 percent of these values for major and hot titles, and 30 percent or less for minor comics. These guidelines will vary from dealer to dealer and as to location.

Condition of Comics

MINT- A perfect comic in every way.

NEAR MINT- A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.

VERY FINE- Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.

FINE- A worn cover but clean. Stress lines around staples and more rounded corners.

VERY GOOD- A well read book. Minor markings, discoloration. Heavier stress lines around staples with minor tears or corner creases and spine rolling.

GOOD- A very worn comic with creases, minor tears, cover flaking appearant. No tape.

FAIR- Slightly damaged cover, badly rolled spine, cover flaking and possibly corners gone. Tears and tape are possible.

all comics listed in this guide are in near mint condition

Characters represented in this issue are copyright respectively by D.C.Comics, Marvel Comics Group, First Comics, Eclipse Comics, Comico, Aardvark-Vanaheim, WaRP Graphics, Eternity, Harrier, Slave Labor Graphics, Kitchen Sink Comix, Tru Studios. Top 100 List copyright Diamond Distributors.

FUTURE PICKS

•The protector of his people for twenty one generations has arrived back in comics, yes, Lee Falk's The Phantom published by DC is the new four part mini-series by David, Orlando and Janke. Can America's first major costumed comic hero transcend to the late eighties. A good bet.

•Reprints of Cerebus will slow down action on the first printing from 1 to 25. Dave Sim has announced this reprinting following the reprints called Church and State and High Society. Many feel that this reprinting will fan the fires of interest in Cerebus with new enthusiasts, the result could be more sales in the newer issues.

•'the Ex-Mutants are back or so it seems. Eternity has announced the tales will continue. Black and whites have been slow to say the least but Ex-Mutants was riding high when it went on hiatus. Can it make a come back?

•The old TV favorite Honeymooners comics are finding stronger and stronger sales. Lodestone published #1 and this issue proving hard to find. Big city demand? Some dealers report #1 going for 6.00-8.00. Curiously enough rural areas have not seen a great clamour for Ed, Ralph and Company.

•Many shops have stated the Punisher is losing his zeal. Sales are losing ground especially on newer issues. We for one believe this situation to be only temporary. As collectors say, he's a Super Dude!

•Golden Age and Silver Age continue to heat the market. Collectors are reporting that whenever they find top quality Silver or Golden Age DC or Marvel, the price is always higher than they expected and often over CVM values. For top quality material this is certainly justified and the upward trend will continue to spriral. You will probably see more price disparity between top quality and worn comics in the future. Reason: They don't make 'em any more
